

# FIFTH CORNHILL COMMUNITY WALK REPORT!

At 10.00a.m. on Saturday 20<sup>th</sup>. October 2018, walkers set off on a 5 mile route taking in Crammond Hill, New Heaton, Pallinsburn House and Crookham Eastfield, finishing at the Blue Bell Inn.

The climb to the top of Cramond Hill was well worth the effort because of the spectacular views in all directions. Thereafter the walk was easy, and the weather mild, so the morning was very enjoyable. Nevertheless, refreshments at the Inn at the end of the walk were most welcome!

Thanks again to Mick Plunkett (behind the camera) for planning the route, leading this walk, and sharing his knowledge along the way. This was very much appreciated by everyone.
