

CORNHILL SUMMER FAIR 2018

The Collingwood Arms hosted the 2018 Cornhill Summer Fair in its lovely gardens on the afternoon of 5th. August. The weather was perfect, sunny and warm, and the Fair was visited by lots of locals and visitors to the village, who were offered a fun dog show, craft stalls, charity displays and food and drink. It was a great success. Thanks to Shona and her team at The Collingwood Arms, and Lynda and her team from the Village Shop, for organising the event on behalf of the Cornhill Community Action Group. Look out for more CCAG events!
